

SEASONS GREETINGS

Private Client Holdings wishes you and your family a peaceful festive season and a prosperous new year. This festive season we have gifted another 15 trees, on behalf of our clients, to Greenpop. They will be planted in the Platbos Forest

*Did you know that one tree produces enough oxygen per year to support a family of four?*

Please note the PCH offices will be closed from the 21st December 2018 to the 3rd January 2019. Please ensure that any instructions are communicated to us before or after this period.
